

Condo Booking Engine: How-To

Once you have logged into our website, www.mytravelservicesunlimited.com, you will see a tab on the left of the page labeled “Book On Your Own”. Click the tab and find our available online booking engines.

To begin searching for condos, click on the “Book A Condo” button.
Once you have clicked on “Book A Condo” follow the steps below to get started:

1. Since you are a New User, click “Do not have an account? Click here to register”
2. You will now be asked to enter your access code. Enter **YTS765** into the box and click “Go”. When you enter this code it allows us to automatically check our database and make sure the person registering is a member. These benefits are exclusive for our members and we want to make sure your investment is protected!
3. Enter your information and create your own password. This password will not change the password you use to log into our website, www.mytravelservicesunlimited.com. You will need to remember both passwords as you will have to log into the condo booking engine each time you search and book.
4. You are now registered! Enter the website and start looking around!

You are now logged into the Condo Booking Engine!
